The screenshot displays the Mwandishi AI web application interface. On the left is a dark sidebar with navigation links: 'My CVs', 'Templates' (highlighted), 'New CV', 'Cover Letters', 'Upload CV' (with a 'Soon' button), 'Account', 'My Account', and 'Back home'. The main content area is titled 'Templates' and includes the text 'ATS-friendly designs made for Tanzanian employers. All free.' and a '+ New CV' button. Below this are filter tabs: 'All' (selected), 'Graduate', 'Government / NGO', 'Banking / Telecom', 'General', and 'Application Letter'. Three template cards are shown, each for 'Amina Juma', a BSc Computer Science Graduate. The first card is labeled 'Graduate Starter' and describes a 'Formal 2-page layout with referees block, made for Aina portal and NGO applications'. The second card is labeled 'Government & NGO' and describes a 'Formal 2-page layout with referees block, made for Aina portal and NGO applications'. The third card is labeled 'Banking & Telecom' and describes a 'Compact 1-page, skills-first layout recruiters at banks and telcos scan in seconds'. Each card shows a preview of the CV layout with sections for Summary, Experience, Education, and Skills.
